EVERY MILE, INSPIRED.

All-New GEELY EX5 EM-i

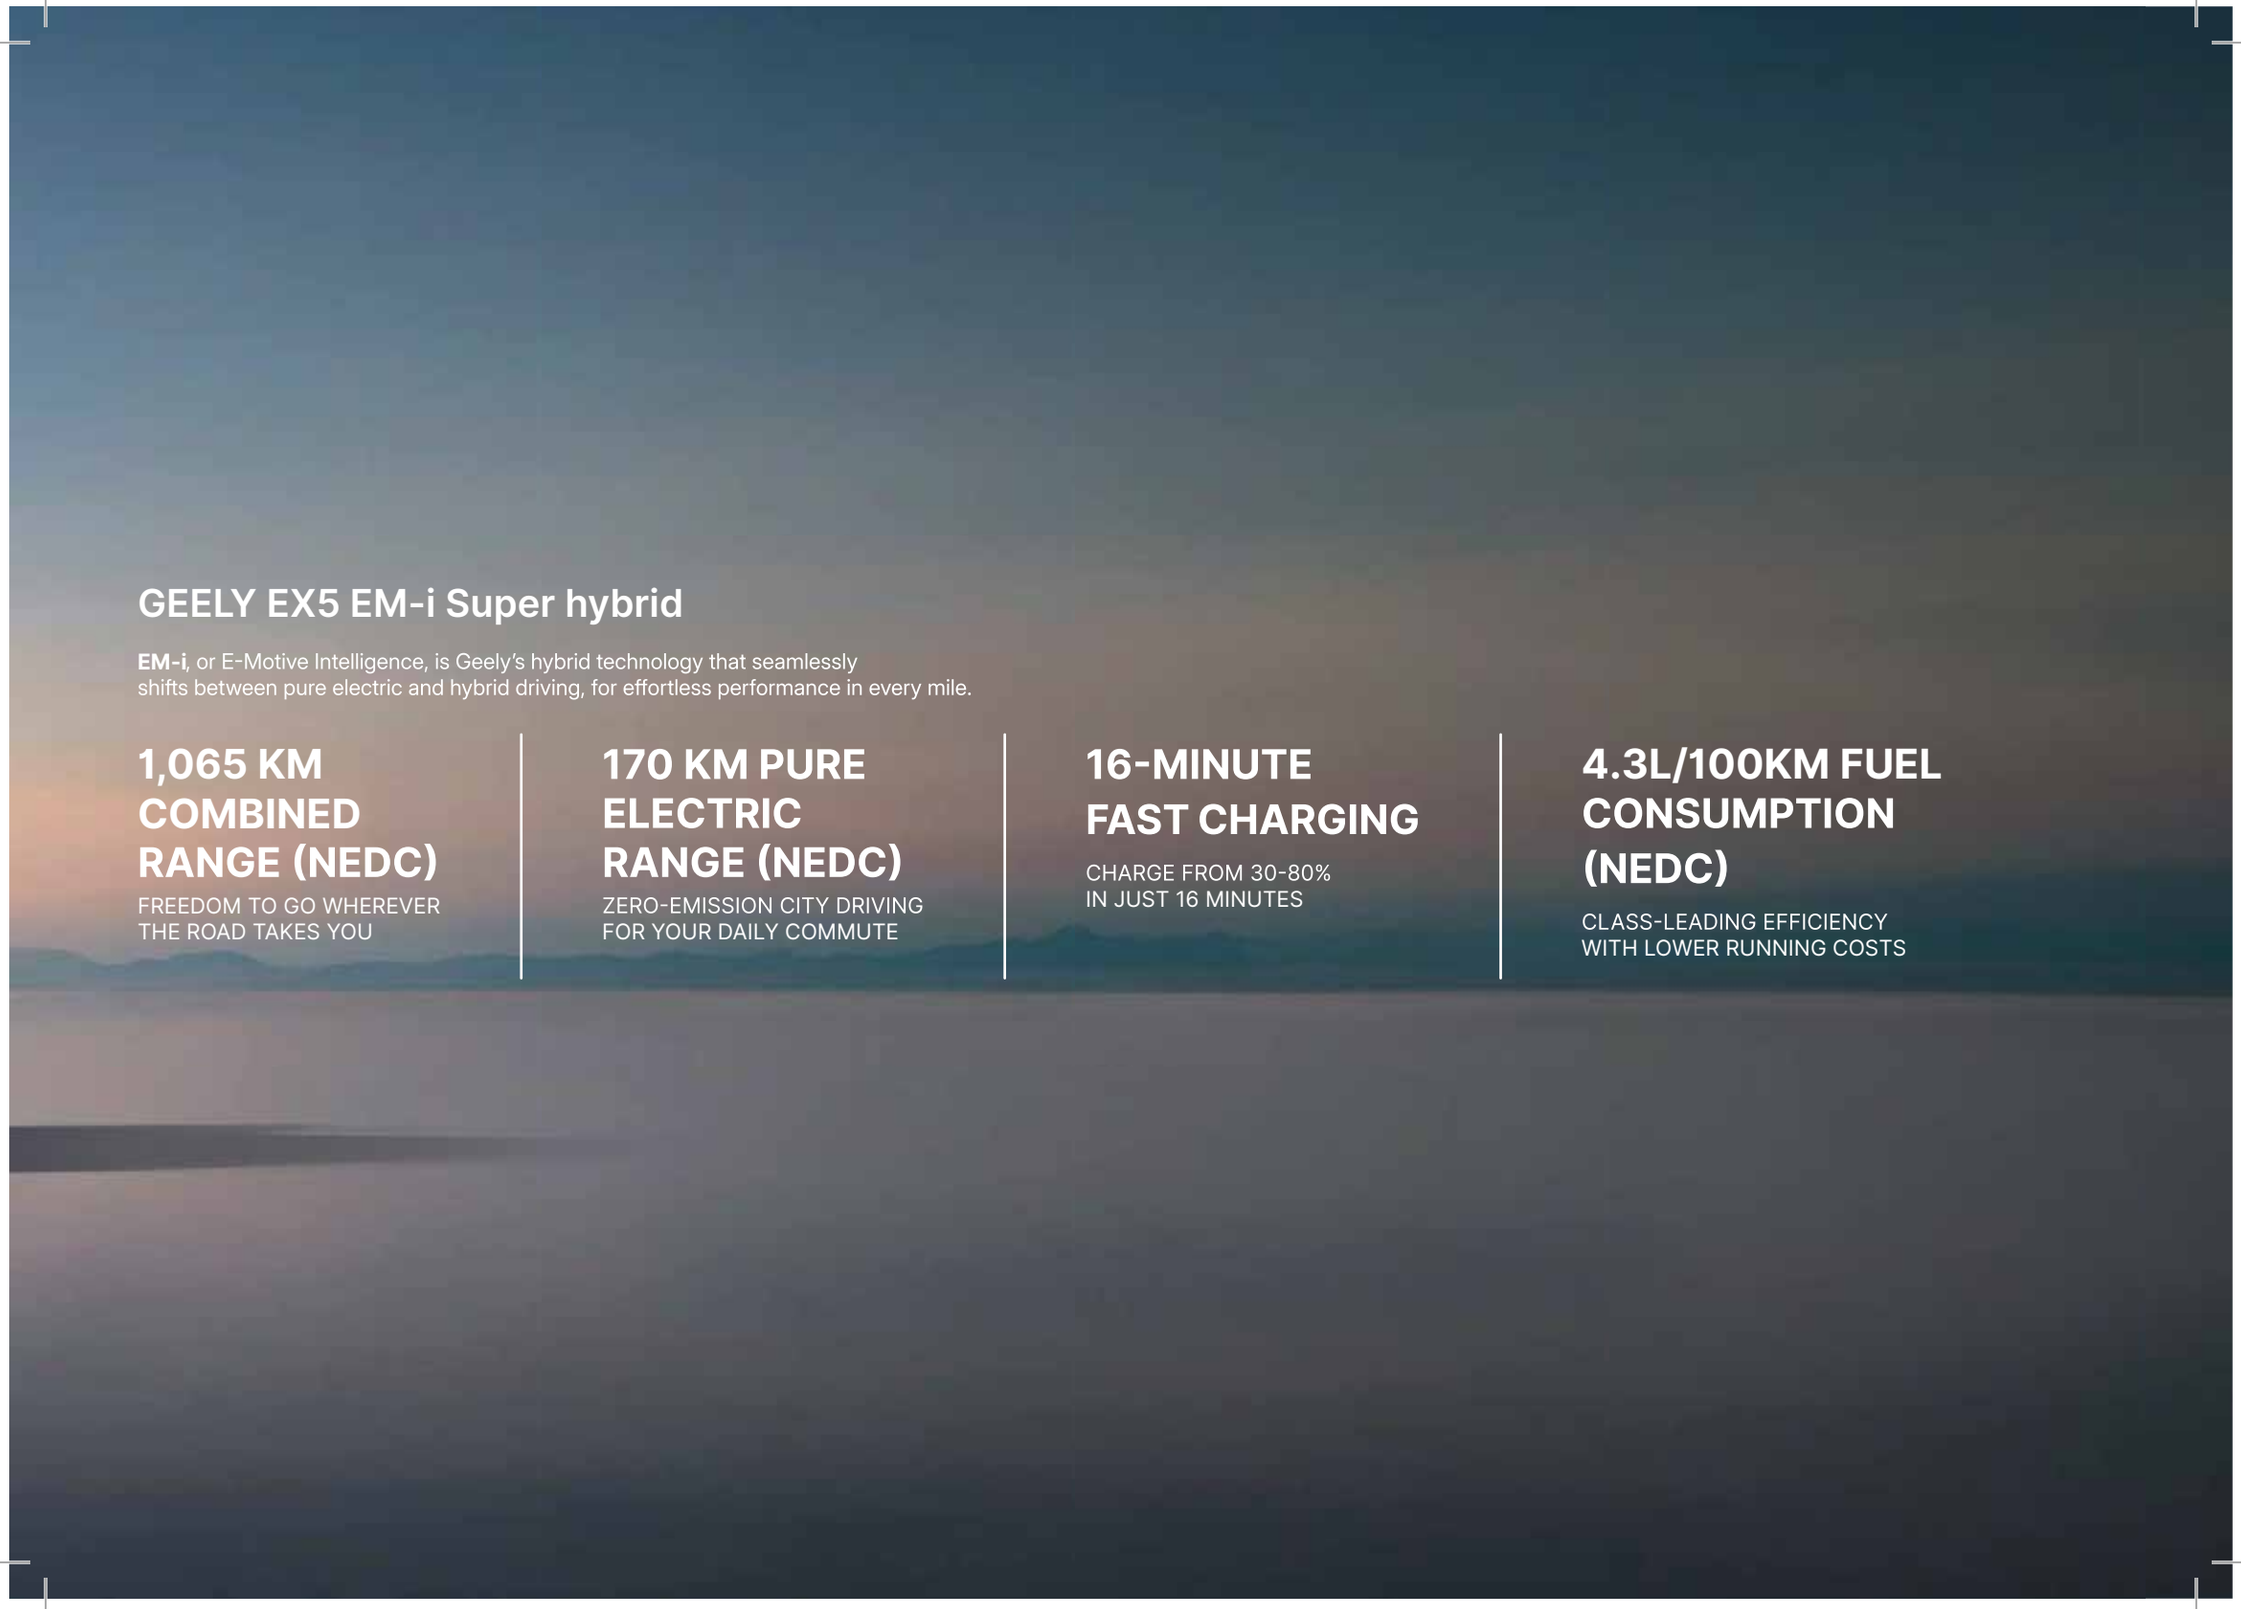

GEELY

INTRODUCING
ALL-NEW GEELY EX5 EM-i
Ready for uncompromising freedom of exploration?
With ultra-long range, fuel efficiency, powerful performance, and intelligent driving modes,
the all-new, plug-in hybrid GEELY EX5 EM-i is engineered to inspire, mile after mile.

GEELY EX5 EM-i

GEELY EX5 EM-i

GEELY EX5 EM-i Super hybrid

EM-i, or E-Motive Intelligence, is Geely's hybrid technology that seamlessly shifts between pure electric and hybrid driving, for effortless performance in every mile.

1,065 KM COMBINED RANGE (NEDC)

FREEDOM TO GO WHEREVER THE ROAD TAKES YOU

170 KM PURE ELECTRIC RANGE (NEDC)

ZERO-EMISSION CITY DRIVING FOR YOUR DAILY COMMUTE

16-MINUTE FAST CHARGING

CHARGE FROM 30-80% IN JUST 16 MINUTES

4.3L/100KM FUEL CONSUMPTION (NEDC)

CLASS-LEADING EFFICIENCY WITH LOWER RUNNING COSTS

EVERY MILE, INNOVATED

EM-i SUPER HYBRID DEDICATED ENGINE

GEELY EX5 EM-i has achieved one of the highest thermal efficiencies in a petrol motor at 46.5%, with an ultra-economical 4.3L/100km fuel consumption. Designed to make the most of every drop of fuel.

E-DHT ELEVEN-IN-ONE ELECTRIC DRIVE

The Electric Dedicated Hybrid Transmission is the powerhouse of the EM-i system. With an industry-leading 92.5% overall efficiency, this compact two-tier motor delivers stable, consistent power regardless of remaining battery capacity, and acceleration from 0-100 km/h in just 8.1 seconds. All while maintaining ultra-low electric power usage of 15.4 kWh/100km.

LITHIUM-IRON PHOSPHATE BATTERY

The 18.4kWh LiFePO4 battery maintains performance through countless charge cycles, with a protective structure that exceeds industry safety standards, built to withstand full submersion into seawater, immense pressure loading, and direct contact with fire.

GEA GLOBAL INTELLIGENT NEW ENERGY ARCHITECTURE

The GEELY EX5 EM-i is natively built on Geely's GEA, a purpose-built new energy platform delivering superior safety, space, performance, and comfort. With class-leading space utilisation, it rivals luxury SUVs.

POWER FOR MILES

3 ADAPTABLE DRIVE MODES - the GEELY EX5 EM-i adapts seamlessly across three intelligent modes.

Pure electric driving with zero emissions. Regenerative braking automatically recharges the battery.

PURE

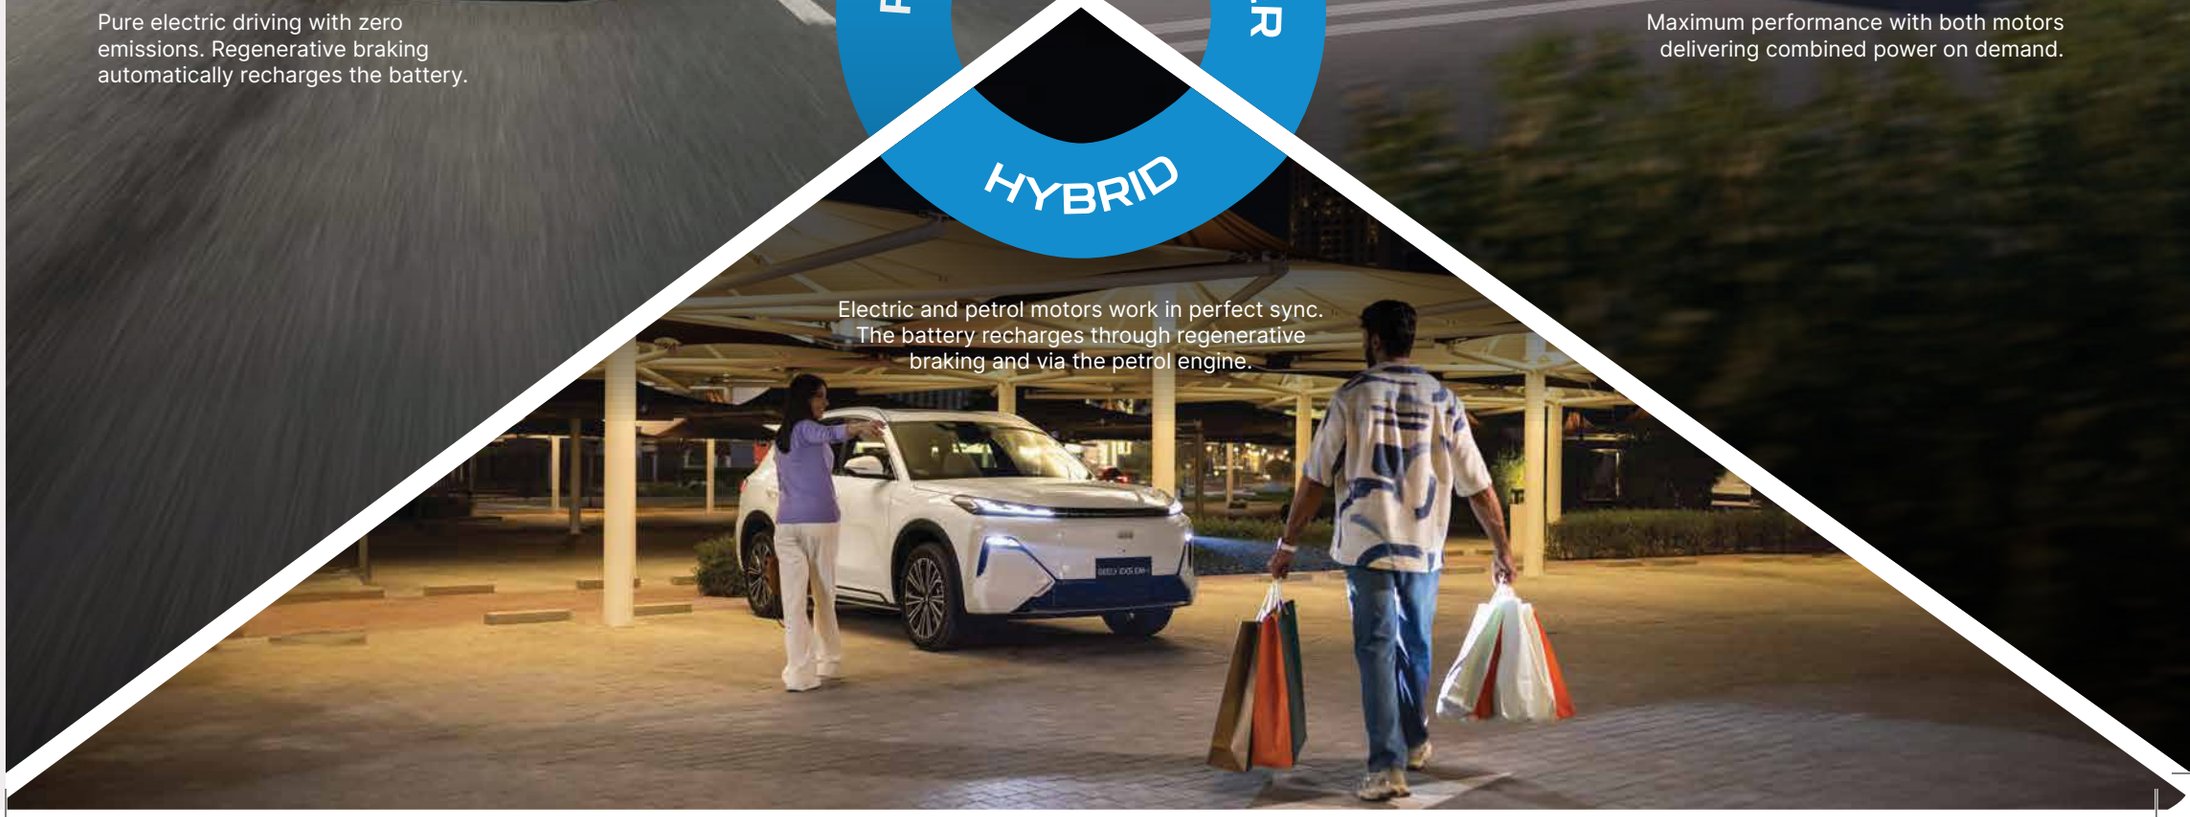

POWER

Maximum performance with both motors delivering combined power on demand.

HYBRID

Electric and petrol motors work in perfect sync. The battery recharges through regenerative braking and via the petrol engine.

MORE ROOM FOR YOUR NEXT ADVENTURE

With class-leading 67.5% space utilisation, the Geely EX5 EM-i creates genuine spaciousness.
The generous 528L trunk expands to accommodate everything from weekly groceries to weekend camping gear.

Up to
2,065L

EVERY MILE, IMMERSIVE

Ventilated Front Seats
Three-speed ventilation reduces temperature by 10-15°C in 10 minutes.

Driver Seat Memory
Save your perfect position and recall it with one touch.

Reclining Front Seats
Transform your cabin by folding seats fully flat for ultimate versatility.

Spacious Rear Legroom
Comfort for all, with an exceptional 1,005 mm of rear legroom.

Intelligent Headrest Speakers
Private listening without disturbing passengers.

8-Layer Marshmallow Comfort
Exceptional comfort and support designed to reduce fatigue on longer journeys.

Power-Adjustable Seats
6-way electric adjustment for effortless positioning.

Panoramic Sunroof
Expansive views that bring the outdoors in.

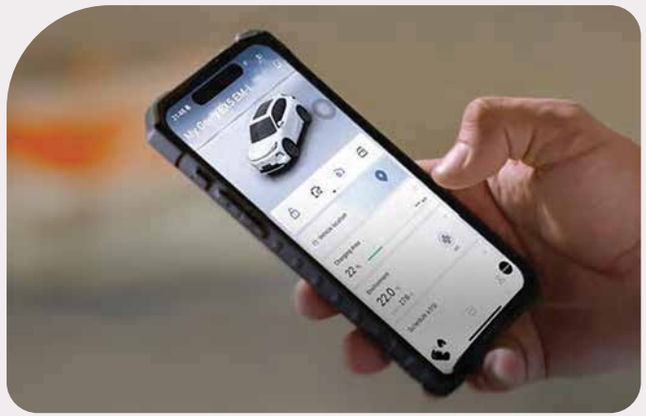

BE ENTERTAINED FOR MILES

The GEELY EX5 EM-i's Flyme Auto system delivers a seamless, connected experience with an intuitive 3-screen layout.

EVERY MILE, INTUITIVE

Remote Start & Pre-Conditioning
Keyless operation lets you start your engine and cool down your cabin before you even step inside.

15W Wireless Charging
Driver's seat equipped with wireless charging.

Seamless Connectivity
Full 4G connectivity with Apple CarPlay and Hi GEELY App smartphone integration.

Advanced Voice Control
Natural commands for navigation, climate, and media—hands on wheel, eyes on road.

16-Speaker Flyme Sound
1,000W amplifier with roof-mounted sky audio and dedicated subwoofer.

EVERY MILE, INSURED

The GEELY EX5 EM-i's 5-star safety rating protects what matters most. Every element is engineered for complete peace of mind, no compromises.

360° VIGILANCE

Advanced safety sensors and cameras monitor your surroundings in real time, delivering protection from every direction.

ENGINEERED FOR IMPACT

Built around an ultra-high-strength steel cage with intelligent crumple zones and 6 standard airbags, your safety is engineered into the core of the vehicle.

SAFETY STRUCTURE

Geely's innovative GEA platform provides 140mm+ of safety distance between the battery and fuel tank, and the Shield Battery System with NTP 2.0+ protection keeps the hybrid battery system isolated, eliminating potential issues.

TESTED BEYOND LIMITS

Pur through 100+ full-scenario extreme working condition tests, 80 more than the national standard, including simulated collision, mechanical shock, immersion, damp heat cycle, salt spray, and thermal propagation.

ADVANCED DRIVER ASSISTANCE SYSTEMS

It's got your back for miles, with an array of intelligent Advanced Driver Assistance Systems (ADAS), designed to make every journey safer and more effortless.

AEB
Automatic Emergency Braking

LKA
Lane Keeping Assist

CMSR
Collison Mitigation Support: Rear

RCTB
Rear Cross-Traffic Braking

ACC
Adaptive Cruise Control

ELKA
Emergency Lane Keeping Assist

IHBC
Intelligent High-Beam Control

DOW
Door Open Warning

ICC
Intelligent Cruise Control

LCA
Lane Change Assist

BSD
Blind Spot Detection

TSI
Traffic Sign Information

CMSF
Collison Mitigation Support: Front

RCTA
Rear Cross-Traffic Alert

EVERY MILE, IN HARMONY

The GEELY EX5 EM-i features a global aesthetic and head-turning design, with an ultra-low drag coefficient that delivers improved efficiency and quieter performance.

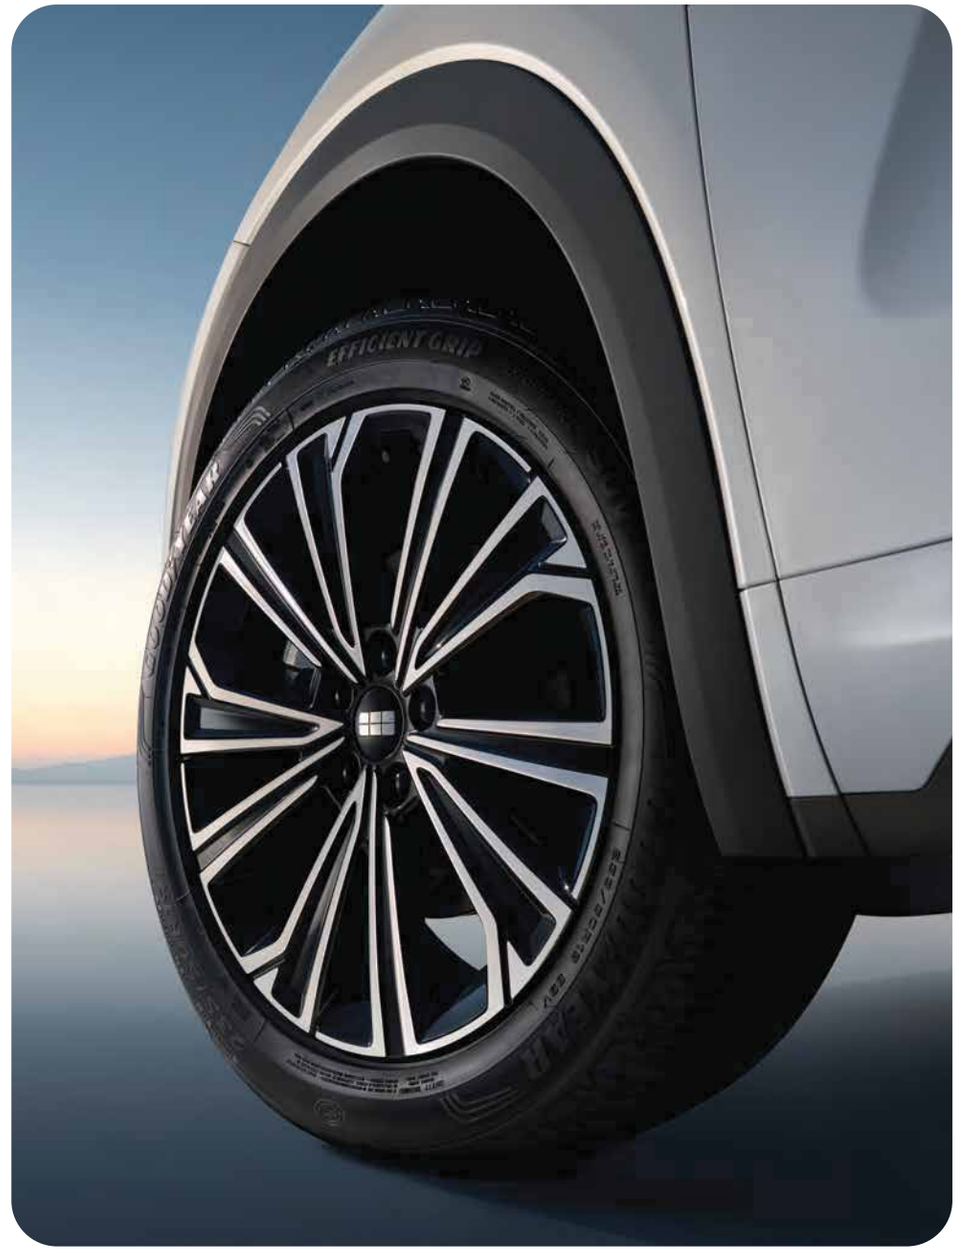

LED Headlights

Striking illumination with modern styling.

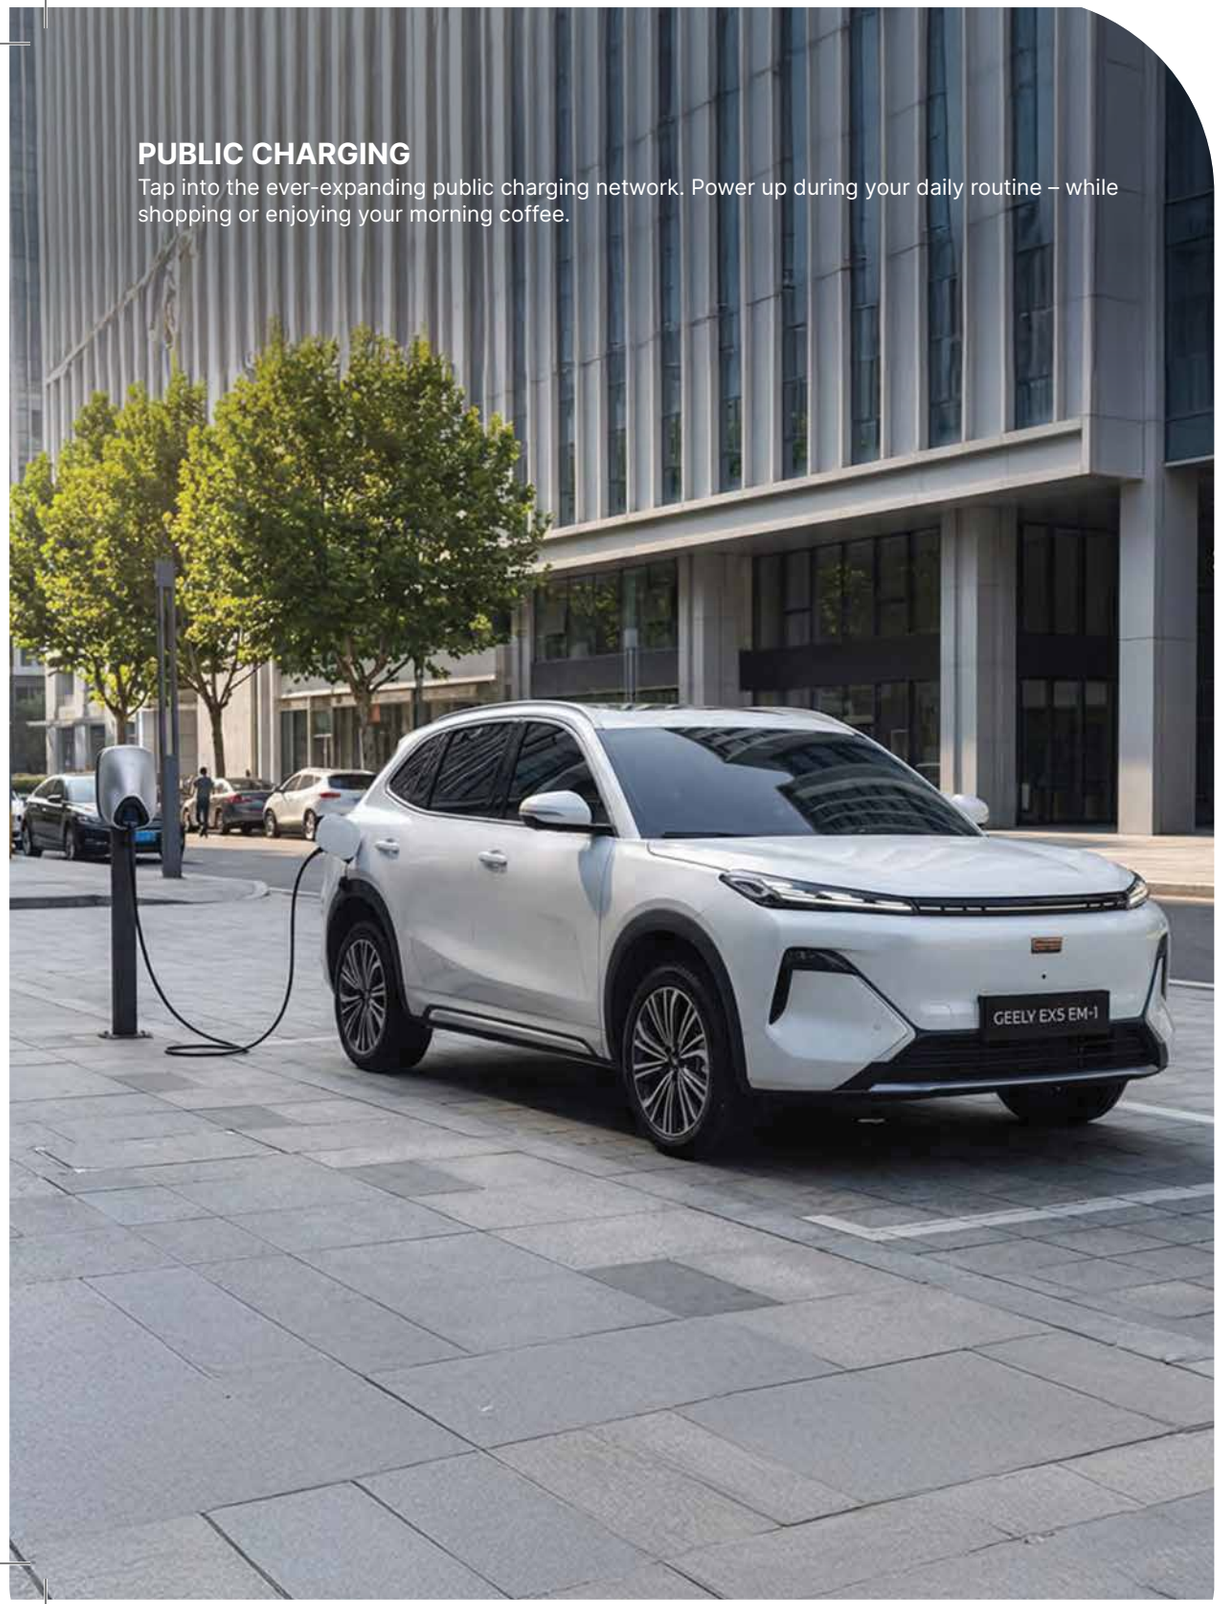

Stylish Tail Lights

Distinctive signature that commands attention.

Alloy Wheels

Premium designs that complement the bold, dynamic exterior.

PUBLIC CHARGING
Tap into the ever-expanding public charging network. Power up during your daily routine – while shopping or enjoying your morning coffee.

CHARGE FOR MILES, IN MINUTES

Charge up at home or on-the-go, with ultra-fast charging from 30-80% in just 16 minutes.

HOME CHARGING
Charge as effortlessly as your smartphone.

POWER UP ANYTHING, ANYWHERE

With the Vehicle-to-Load Power Function, you have a mobile and an easily-connectable power source for lights, cookers, laptops, cameras and more, no matter where you're exploring.
